AUTOMATIC TRANSFER SWITCHES

Seamless uninterrupted power for your critical facilities.

ATeSL XXXX
Automatic Transfer Switch

- Motorized changeover with Inbuilt micro-processor based ATS controller
- AC-32B utilization category as per IEC-60947-6-1
- Mode of operation - Auto/Manual/Remote/Cloud connectivity
- Protection against under/over voltage, under/ over frequency and phase sequence - S1 & S2
- Optional RS485 & WiFi communication and cloud connectivity for IoT applications
